LIVIV POLYTECHNIC NATIONAL UNIVERSITY
SOCIAL COMMUNICATION AND
INFORMATION ACTIVITY DEPARTMENT

INFORMATION COMMUNICATION SOCIETY

IX INTERNATIONAL
ACADEMIC CONFERENCE

MAY 21-23, 2020
CHYNADIYOVO, UKRAINE

WELCOME TO THE 9TH INTERNATIONAL ACADEMIC CONFERENCE

"INFORMATION, COMMUNICATION, SOCIETY 2020"

The traditional ICS conference is held yearly by the Social Communication and Information Science Department of Lviv Polytechnic National University – the biggest and the oldest technical university of Ukraine.

Social Communication and Information Science Department's research area is a symbiosis of the following topical research directions: business intelligence, social communications, library and archive activity, documentation science, information management, e-government, applied psychology and linguistics, information space safety. Complex nature of the research and its relevance shape the need for scientific information exchange with representatives of domestic and international academic societies, establishing partnerships with other university departments, institutions, enterprises, authorities and NGOs.

ICS-2020 will take place in Chynadiyovo (Zakarpattia Region).

We are looking forward to meeting you at the conference!

CONFERENCE AREAS

include but are not limited to

- Information and documentation science in the modern research system
- Information and communications technology in Internet and World Wide Web
- Social communication
- Information management technologies and intellectual data processing
- State information space safety
- E-democracy and e-government
- Linguistic technologies in information science
- Psychological and pedagogical components of documentation and information science
- Archives, libraries and museums in the developing Information Society

DEADLINES

MAY 08 2020: ready paper and application submission

MAY 13 2020: notification of paper acceptance or rejection

MAY 15 2020: conference fee payment

SUBMISSION REQUIREMENTS

To take part in the conference an applicant should submit to the Organizing Committee via e-mail (ics.conference@gmail.com):

- filled application form;
- camera-ready paper.

IMPORTANT!

Students' papers will be reviewed by the Program Committee only in case of co-authorship with the students' scientific supervisor(s).

CAMERA-READY PAPERS

Conference application form and papers should be laid out in compliance with templates available from the conference web page <http://www.facebook.com/ics.conference>.

Papers volume should be exactly 2 full pages. All figures must be stored separately in *.tiff or *.jpg format with the minimum resolution of 300 dpi.

PAPER ACCEPTANCE/REJECTION

All submitted papers are subjects of a double-blind peer review process. Reviewed papers can be accepted, rejected or marked as "need revision" (in this case the applicant will need to re-submit an updated paper). In any case the new paper status will be sent to the applicant's e-mail. Upon acceptance, participants are required to cover conference fees (requisite elements will be sent via e-mail) and attach a copy of the payment receipt to e-mail.

CONFERENCE PROCEEDINGS

Conference proceedings on e-version will be published by the conference opening and handed to participants on registration.

The conference planned workshop «Control, Optimisation and Analytical Processing of Social Networks (COAPSN-2020), the best materials which will be submitted for indexing in Scopus scientometric base.
